Student Reception Days

At the beginning of each academic year (mid-October), a conference is organised in which all the possibilities offered by the University of Granada are shown. It is a good opportunity to get first-hand information from the university staff and to make your first contacts.

Do you know our International Week?

During the same period, and for foreign students or students who want to go abroad, the Vice-rectorate of Internationalization organizes, for two days, the International Week, an event that aims to be a meeting point between students who have made or are making a mobility and those who are thinking of requesting it, so that those interested in going to exchange can know the advantages of enjoying an experience of international mobility, as well as knowing first hand the strengths of each destination. If you would like to volunteer to promote your home university, please do not hesitate to write to intlinfo@ugr.es, indicating in the "Subject": International Week.

Buddy Mentor Program

The main objective of the program is that the international student who comes to study at UGR during an exchange period can find support from the beginning of his or her stay by contacting one of the UGR Mentors, who will guide and provide support before and during his or her stay.

This initiative aims to help international students and facilitate their cultural, academic and linguistic integration in their new country and host city.
