

1. As it was good weather yesterday, I went for a walk without a hat. On the way to the shops, I met a friend whose name is John. He has lived in London where he is studying for three years. As I had not much to do I decided to go with him. We went to a cinema and afterwards to a restaurant to have a little food. I had to be home by eleven o'clock, so I left my friend who went on and I went back home. There I met the family who had moved in on Tuesday - the parents two sons and a daughter. I listened to the radio for half an hour and then went to bed.

2. Completen las oraciones con preposiciones:
