

SCHOLARS SELECTION

The scholars receive scholarships as a visiting professor for a maximum period of three months. Despite the Erasmus Mundus Master Consortium can decide to invite or finance the stay of a major number of scholars during short periods prior to the acceptance of the mobility plan by the EACEA, (both for the application process, as an official petition), and as a condition of that the individual mobility flows last two weeks as a minimum.

The scholars must stay two weeks as a minimum and a maximum of three months in higher education institutions of the partner country.

The scholars can be selected at any time during the implementation of the academic Master course.

The scholarships for scholars can be proceeded from third countries higher education institutions, and also from European Institutions in case the Consortium is including a partner of third countries.

Scholarships Amount:

1200 Euros per week during a maximum of three months by scholar, (two weeks minimum duration, three months maximum duration).

From 2400 Euros for a stay of two weeks till 14800 Euros for a stay of three months.

The amount of the scholars scholarships can vary following:

- The course length.
- The third countries partners' number.
- The European student's mobility period in higher education institutions of the third countries partners.
