

University of Granada Director's Office

Miguel Ángel Guardia López

Born in Granada, Miguel Ángel Guardia López holds a Bachelor's Degree in Law from the University of Granada and is a civil servant of the Technical Scale for Administrative Staff. He began working at the University of Granada in 1991 and has directed the Research Management Service since 2000. He currently holds the position of Director of the Research Projects Office.

He was Secretary of the Network of Research Management Units of Spanish Universities (RedUGI), part of the Conference of Rectors of Spanish Universities (CRUE), from 2006 to 2009, and Coordinator from 2014 to 2018.

He has evaluated the research services of Spanish universities as a technical member of the National Plan for Quality Assessment in Universities and of the Andalusian University Evaluation and Accreditation Agency (AGAE).

Furthermore, he has delivered numerous courses and presentations on the topics of research management and university management, both at the University of Granada and at 10 other Spanish universities.

He has carried out mobility periods focusing on the improvement of management

techniques at the Universities of Valencia, Vigo, León, Siena, Cagliari and the Autonomous University of Barcelona (UAB).
