

Continuing Education Online Interactive Course

Prof. Alberto Rodriguez-Archilla

Is Awarded 2 Hour(s) of Continuing Education Credit For Successful Completion of:

Are You A Supertaster?

Nancy W. Burkhart, RDH, BS, MEd, EdD; Carol Perkins, RDH, BA, AS

Upon completion of this course, the dental professional should be able to:

- List the three types of tasters in the population.
- Understand the mechanisms involved in the nerve supply to the oral tissues affecting taste.
- Logically assess the patient to determine if a referral to a specialist for taste and smell is warranted.
- List the three ways to determine a supertaster.
- List three foods that supertasters usually do not consume.
- Discuss the benefits and/or the disease states associated with each of the tasters.
- State the function of the taste buds and understand how taste is perceived.
