

International Summer School on Modeling Nature

modeling nature
M Nat
from nano to macro

Biomat2020. Granada, June 1-5, 2020

Mathematical Modeling, Mechanics and Biology

Minicourses

Pierluigi Colli. Università di Pavia

Jean-François Joanny. Collège de France

Benoît Ladoux. Université Paris Diderot / CNRS

Anna Marciniak-Czochra. University of Heidelberg

Alex Mogilner. Courant Institute and Department of Biology New York University

Juan de Vicente. Universidad de Granada

Talks

Adrian Aguirre-Tamaral. Molecular Biology Center, CSIC-Madrid

Juan Calvo. Universidad de Granada

Martina Conte BCAM-Bilbao

Guido Forni. Accademia Nazionale dei Lincei, Roma

Pilar Guerrero. University Carlos III de Madrid

Juan Melchor. Universidad de Granada

Carlos Pulido. Universidad de Granada

Mario Veruete. Université de Montpellier

Effective Scientific Communication. Creativity in Science

Coordinated by Francisco Perfectti & Isabel Reche. Universidad de Granada
