

Curriculum Vitae
Updated 4 December 2014

Dr. Alfredo Menéndez-Navarro, Ph.D., M.D.

Department of History of Science
Facultad de Medicina
Avda. de Madrid, 11
E-18012 Granada (Spain)
Email: amenende@ugr.es
Phone: + 34 958240754
Fax: +34 958246116
Web: <http://www.ugr.es/local/amenende/eng>

1. Qualifications:

Bachelor of Medicine, University of Granada (1985)
Ph. D., University of Granada (1992)
Postdoctoral Fellowship at the Wellcome Institute for the History of Medicine
(London, 1994)

2. Position:

Professor of the History of Science. University of Granada

3. Current and recent research projects funded:

3.1. *Asbestos' risks in Spain (1960-2002)*

Funded by the Spanish Ministry of Science and Innovation, Project code HAR2009-07543. From January 2010 to December 2013. Project Leader.

3.2. *The Fight against Silicosis in Spain (1930-1975)*

Funded by the Spanish Ministry of Education and Science, Project code HUM2006-02885/HIST. From October 2006 to December 2009. Project Leader.

3.3. *Phoenix European Thematic Network on Health and Social Welfare Policy. Working Group «Health, Social Welfare, and NGOs».*

Funded by the European Union, Socrates programme, Project code 226004-CP-1-2005-1-PT-ERASMUS TN. From November 2005 to March 2009. Project Coordinator: Laurinda Abreu (University of Évora)

3.4. *Identifying Trends in European Medical Space: Contribution of European Social and Human Sciences (Coordinated project)*

Funded by the European Union, Project code SETN-2002-00010. From January 2003 to June 2005. Project Coordinator: Centre de Sociologie de l'Innovation (ARMINES, Paris)

4. Recent and forthcoming publications

4.1. Articles in peer reviewed journals

MENÉNDEZ-NAVARRO, Alfredo. In the Beginning was Almadén: the Origins of Occupational Medicine in Spain. *Revista de Medicina y Seguridad del Trabajo* 2014, Suplemento 2 [forthcoming] (*Spanish*)

SÁNCHEZ-VÁZQUEZ, Luis; MENÉNDEZ-NAVARRO, Alfredo. Nuclear energy in the public sphere: anti-nuclear movements vs. industrial lobbies in Spain (1962-1979). *Minerva*. Published on line 30 November 2014.

GARCÍA GÓMEZ, Montserrat; MENÉNDEZ-NAVARRO, Alfredo; CASTAÑEDA LÓPEZ, Rosario. Asbestos-related occupational cancers compensated under the Spanish National Insurance system, 1978-2011. *International Journal of Occupational and Environmental Health*. Epub ahead of print, 21 Oct 2014.

RODRÍGUEZ OCAÑA, Esteban; MENÉNDEZ NAVARRO, Alfredo. Hygiene against *Miners' Anemia*. The Fight against Ancylostomiasis in Spain (1897-1936). *Asclepio* 2006; 58 (1): 219-248. (*Spanish*)

MEDINA DOMÉNECH, Rosa M.ª; MENÉNDEZ NAVARRO, Alfredo. Cinematic representations of medical technologies in the Spanish official newsreel, 1943-1970. *Public Understanding of Science* 2005; 14: 393-408.

4.2. Book Chapters

MENÉNDEZ-NAVARRO, Alfredo. Du déni à la flatterie : La reconnaissance de la pneumoconiose du houilleur comme maladie professionnelle en Espagne (1930-1944). In: Judith Rainhorn (dir.), *Santé et travail à la mine, XIXe-XXIe siècles*, Lille, Presses universitaires du Septentrion; 2014, pp.131-149.

MENÉNDEZ-NAVARRO, Alfredo. Global Markets and Local Conflicts in Mercury Mining: Industrial Restructuring and Workplace Hazards at Almaden Mines in the Early 20th Century. In: Christopher Seller and Joseph Melling (eds), *Dangerous Trades: Histories of Industrial Hazard across a Globalizing World*, Philadelphia, Temple University Press, 2012, pp. 47-59.

MENÉNDEZ-NAVARRO, Alfredo. Culpabilizar a las víctimas: los carteles de prevención de accidentes del trabajo en el periodo de entreguerras. In: Castejón Bolea, Ramón; Perdiguero Gil, Enrique; Piqueras, José Luis, eds. *Las Imágenes de la Salud: Cartelismo sanitario en España (1910-1950)*. Alicante, Instituto Alicantino de Cultura Juan Gil-Albert / CSIC, 2012, pp.71-80.

MENÉNDEZ-NAVARRO, Alfredo. Not All Roads Lead to Rome: The Anglo-Saxon Historiographical Debate on Asbestos Risks. In: Arón Cohen (ed.), *Work and Occupational Hazards in the Contemporary World: Knowledge, Coding, Intervention and Management*. Barcelona: Icària editorial, Publicacions and Edicions de la Universitat de Barcelona, 2012, pp. 313-334 (*Spanish*)

MENÉNDEZ-NAVARRO, Alfredo. Occupational Health in the First Francoism (1939-1953). In: Paul Blanc and Brian Dolan (eds.), *At Work in the World. Proceedings of the Fourth International Conference on the History of Occupational and Environmental Health*. San Francisco: Perspectives in Medical Humanities, University of California Medical Humanities Consortium, University of California Press, 2012, pp. 93-97.

MENÉNDEZ-NAVARRO, Alfredo. Challenging the 'blind spots' of expertise: locally produced knowledge and asbestos hazard management in Spain (1975-1984). In: Paul Blanc and Brian Dolan (eds.), *At Work in the World. Proceedings of the Fourth International Conference on the History of Occupational and Environmental Health*. San Francisco: Perspectives in Medical Humanities, University of California Medical Humanities Consortium, University of California Press, 2012, pp. 175-178.

MENÉNDEZ-NAVARRO, Alfredo. Iluminando los ángulos muertos del conocimiento experto: la experiencia obrera y la gestión de los riesgos del amianto durante la transición democrática española. In: Porrás Gallo, M.I.; Gutiérrez Rodilla, B.; Ayarzagüena Sanz, M.; de las Heras Salord, J. (eds.), *Transmisión del conocimiento médico e internacionalización de las prácticas sanitarias: una reflexión histórica*, Ciudad Real, Sociedad Española de Historia de la Medicina, 2011, pp. 137-140.

ASTRAIN GALLART, Mikel; MENÉNDEZ-NAVARRO, Alfredo. La cobertura mediática de los riesgos del amianto en la prensa española. El caso de El País (1976-2010). En: Porrás Gallo, M.I.; Gutiérrez Rodilla, B.; Ayarzagüena Sanz, M.; de las Heras Salord, J. (eds.), *Transmisión del conocimiento médico e*

internacionalización de las prácticas sanitarias: una reflexión histórica, Ciudad Real, Sociedad Española de Historia de la Medicina, 2011, pp. 517-519.

MENÉNDEZ NAVARRO, Alfredo. Hospitales de empresa: los primeros pasos de la medicina del trabajo. In: *Trabajo y salud: desde la protección a la prevención*, Madrid, Instituto Nacional de Seguridad e Higiene en el Trabajo, Fundación Francisco Largo Caballero, Mutua Fraternidad-Muprespa, 2010, pp. 328-345.

MENÉNDEZ NAVARRO, Alfredo. La colaboración sanitaria internacional: reflexiones y propuestas desde la historia. In: R. Campos, L. Montiel, R. Huertas (coords.), *Medicina, ideología e historia en España (siglos XVI-XXI)*, Madrid, Consejo Superior de Investigaciones Científicas, 2007, pp. 51-75.

MENÉNDEZ NAVARRO, Alfredo. Biography of Gaspar Casal Julián. In: W. F. Bynum; H. Bynum (eds.), *Dictionary of Medical Biography*, Westport, Greenwood Press, 2007, vol. 2, pp. 312-313.

5. Conference papers and invited lectures

«Asbestos, cancer and workers' mobilizations during the transition to democracy in Spain». European Social Science History Conference 2014. Vienna, April 2014.

«Asbestos: from occupational issue to an environmental risk, 1960-1980» (*Spanish*). Seminar Toxic Atmospheres: Environmental and occupational health in the industrial age. The López Piñero Institute for the History of Medicine and Science. Valencia, September 2013

«Risking lives at work ... and at home: changing patterns in the public perception of asbestos hazards in Spain, 1962-1984». EAHMH Conference 2013. Risk and disaster in Medicine and Health. Libon, September 2013.

«Asbestos, cancer and workers' mobilizations during the transition to democracy in Spain». *Maladies Industrielles & Mobilisations Collectives*, séminaire de sciences sociales, 2012-2013. Paris, February 2013.

«Asbestos hazards and the media in Spain during the transition to democracy». 8th STEP Meeting. Corfu, June 2012.

«Contesting expertise from locally produced knowledge: Asbestos hazard management in Spain during the transition to democracy». 4th International Conference of the European Society for the History of Science. Barcelona, November 2010.

«Occupational Health in the First Francoism (1939-1953)». 4th International Conference on the History of Occupational and Environmental Health, San Francisco, June 2010.

«Challenging the 'blind spots' of expertise: locally produced knowledge and asbestos hazard management in Spain (1975-1984)». 4th International Conference on the History of Occupational and Environmental Health, San Francisco, June 2010.

«Medical Technologies and National Identity in the Visual Representations of NO-DO. 1943-1953». Course A Regime in Images: Francoism through the Spanish Official Newsreel NO-DO. Autonomous University of Madrid, Madrid, April 2010

«Coping with Coal Workers' Pneumoconiosis in Franco Spain, 1944-1975». European Social Science History Conference 2010. Ghent, April 2010.

«The Politics of Dust Suppression in Spanish Coal Mining, 1944-1975». XXIII International Congress of History of Science and Technology «Ideas and Instruments in Social Context». Budapest, July 2009.

«Nuclear medical technologies on the screen: using Spanish official newsreel (NO-DO) as a source for the history of the public image of radioactivity in Franco Spain» 5th European Spring School of History of Science and Popularization "Radioactivity in the public sphere". Mahón, May 2009.

«'A camel through the eye of a needle': Expertise and the late recognition of asbestos related diseases». Summer Course Health and Environmental Impacts of Asbestos, University of Santander, July 2008.

«Global Markets and Local Conflicts in Mercury Mining: Industrial Restructuring and Workplace Hazards at Almaden Mines in the Early 20th Century». Conference Dangerous Trade: Histories of Industrial Hazard Across A Globalizing World, Stony Brook University, December 2007.

«Health insurance and political repression: coping with occupational health in Franco Spain». Phoenix Network meeting «Between humanitarian action and social empowerment in health and welfare: The cases of NGOs and of Integrative Care», Barcelona, November 2007.

«An epidemic out of focus: Ancylostomiasis in rural Spain, 1910-1960». Conference of the European Association for the History of Medicine and Health «Environment, Health and History», London, September 2007.

«Bringing the lab to the workplace: labour conflicts and management culture at Almaden mercury mines in the early 20th century». The Centre for Medical History, University of Exeter, May 2007.

«The politics of silicosis in interwar Spain: Republican and Francoist approaches to occupational health». Interwar Health Network Workshop «Crisis as opportunities in interwar health?». University of Granada, April 2007.

«'A camera for our friend the Atom': The popularisation of medical applications of nuclear energy in the Spanish Official Newsreel». Symposium of the Spanish Society of the History of Medicine, Barcelona, January, 2007.

«Autarky, health insurance and political repression: The Silicosis Scheme in Early Francoist Spain, 1941-1960». International Conference «Working with Dust: Health, Dust & Diseases in the History of Occupational Health». The Centre for Medical History, University of Exeter, April 2006.

6. Other transference activities

Title: Campaign to rise public awareness of occupational and environmental asbestos risks

Funded By: CICODE, University of Granada

October 2010-September 2011

Principal Investigator: Alfredo Menéndez-Navarro

Results: Online course [Asbestos Occupational and Environmental Cancer: Recognition and Prevention](http://fugaz.ugr.es/amianto/) <http://fugaz.ugr.es/amianto/>

7. Teaching:

7.1. Undergraduate Courses

History of Medicine (Faculty of Medicine)

Machines, doctors and patients: Medical technologies and health care (Seminar, Faculty of Medicine)

Cinema, History and Medicine (Seminar, Faculty of Medicine)

History of Science and Scientific Information (School of Documentation and Librarianship)

Technoscience, Medicine and Culture (Faculty of History)

Technologies and Development (School of Civil Engineers)

Science, Technology and Society (Faculty of Translation and Interpreting)

7.2. Graduate Courses

Governance and Health in Contemporary Spain (Master in History, University of Granada)

Occupational Health in Modern and Contemporary World (Doctorate Programme 'Health: Anthropology and History')

Cultures of Prevention in the Workplace (Doctorate Programme 'Health: Anthropology and History')

History of Occupational Medicine (School of Occupational Medicine)

8. Editorial Posts:

Editor of *Dynamis. Acta Hispanica ad Medicinae Scientiarumque Historiam Illustrandam* (Granada).

Member of the Editorial Board of the *Journal of Medicine and Movies* (Salamanca).

9. International & National Committees:

Scientific Secretary of the International Commission on Occupational Health (ICOH) Scientific Committee on The History of Prevention of Occupational and Environmental Diseases.

Member of Centre for Medical History Advisory Board, University of Exeter.

Member of the Executive Board of the Spanish Society for the History of Medicine
