

DISTINCTION WITH HONOURS – LECTURER’S ATTESTATION

Dear colleague,

Our local grading system in the University of Granada allows our most brilliant students to reach “Distinction with Honours” as the top grade possible. Since this grade is not available in your home University, we would need your collaboration to ascertain whether one of your students qualify for such a grade after the work developed in your course.

In that sense, we would be grateful if you could fill in and sign the form below.

Regards,
