

DIRECT STRATEGIES: WRITING

STRATEGY GROUP: Affective

STRATEGY SET: Taking your emotional temperature
--

STRATEGY: Writing a language learning diary
--

There, learners can include specific information about strategies, which they find out interesting or useful as well as effective or ineffective. Some learners like to share their diaries to other people. If they feel comfortable enough, they share their diary entries during group discussion in class once or twice a week. Others prefer to keep their diaries private.
