Instructions for abstract submission

The submission of oral contributions to the **3rd Workshop on MEMRISTORS 2026** is now open.

Prospective authors are invited to **electronically submit abstracts** of their work in English (pdf format, 1 or 2 pages).

- There will be oral and poster presentations.

- We encourage submission of abstracts. The abstract must be written in English and must not exceed 300 words, excluding figure captions.

PhD students are highly encouraged to submit their work and actively participate in the scientific discussions. Prizes will be awarded to the **best student oral and poster presentations**.

We look forward to staying in touch and to welcoming you in Barcelona next summer!

Kind regards,

The Organizing Committee

3rd Workshop on MEMRISTORS 2026
