

UNIVERSIDAD DE GRANADA

Universidad de Granada

Happy 2022

University of Granada: almost five centuries in pursuit of knowledge

Together, our community of

- Over **500 research groups**,
- with over **1000 research projects** and over **1200 research contracts**,
- **25 research institutes and centres**,
- almost **3,800 academics dedicated to teaching and research**, with the support of more than **2,700 administrative and professional staff**, and **over 53,000 students**, registered in the **232 undergraduate and postgraduate degrees offered in our 28 faculties and schools**

make possible **the very best gift we can offer our society:**

the generation and dissemination of knowledge

The Rector, the Governing Team and the entire community of the University of Granada wish you **season's greetings and a peaceful and prosperous 2022**
