Alcalá et al - Surveying	Surveying dinosaur sites: Las Cerradicas (Galve, Teruel, Spain)	Poster		alcala@dinopolis.com	
Alcalá et al - Valueing	Valuating the dinosaurs heritage in Aragón, Spain (Dinosaragón project)	Poster		alcala@dinopolis.com	
Alfaro et al.	Outreach strategies for the geological heritage of Alicante (Spain)	Poster		pedro.alfaro@ua.es, hugo.corbi@ua.es	Presented by Hugo Corbí
Arnaud Vanneau & Arnaud	The Geopark of Vercors (France): a project supported by the "Parc Naturel Régional du Vercors"	Oral	09:00	annie.arnaud@orange.fr	
Baeza et al	Palaeontological heritage management through historical collections: Jiménez de Cisneros collection	Poster		jf.baeza@ua.es, carlos.lancis@ua.es	
Brancucci et al	Geoconservation in Italy: from census to promotion	Oral	Thursday	brancucci@arch.unige.it, labpolis@arch.unige.it	Representative for Italy. Presented by Valentina Marin
Brilha	Geoconservation in Portugal: an updated perspective about geosites inventory, legal setting, conservation and educational issues	Oral	Thursday	jbriha@dct.uminho.pt	Representative for Portugal
Brilha et al	The national inventory of geosites in Portugal	Oral	09:20	jbriha@dct.uminho.pt	
Bruschi et al	A statistical approach to the validation and optimisation of geohieritage assessment procedures	Poster		viola.bruschi@unican.es	
De Wever	Geohieritage in France: from inventory to geotourism	Oral	Thursday	pdewever@mnhn.fr	Representative for France
Déniz González & Mangas	Characterization of four geosites in the Arucas Coast (north of Gran Canaria Island, Spain) for its conservation	Oral	09:40	itahisadg@gmail.com, jmangas@dfis.ulpgc.es	
Díaz-Martínez et al	Advances on geoconservation in Spain	Oral	Thursday	e.diaz@igme.es	Representative for Spain
Durán et al	Karst as geological heritage: the case of Spain	Poster		jj.duran@igme.es, pa.robledo@igme.es	Presented by Pedro Robledo
Fermeli et al.	The geodiversity of the Natural Park of Prespa (N Greece)	Oral	10:00	gfermeli@geol.uoa.gr	
Gillain & Belinchón	The dinosaur ichnite from Arroyo Cerezo (Rincón de Ademuz, Comunidad Valenciana): first fossil of a dinosaur footprint found in Spain	Oral	10:20	museociencias@valencia.es, phgillain@skynet.be	Presented by Philippe Gillain
Giovagnoli	The ISPRA (Institute for Environmental Protection and Research) activities in Italian geological heritage	Poster		cristina.giovagnoli@isprambiente.it	
González et al	Calblanque and Sierra Minera Geopark	Poster		alfredo.gonzalez@carm.es	
Goy et al	Arribes del Duero-Douro (Spain, Portugal): possibilities for the first Iberian cross-border geopark	Poster		joselgoy@usal.es, angel@usal.es	Presented by José Ángel González Delgado
Hidalgo et al.	Inventory and valueing of geo-mining heritage in the Linares-La Carolina district (Jaén, Spain)	Poster		chidalgo@ujaen.es, jrey@ujaen.es	
Lima et al.	Geosites of the Azores Geopark project	Oral	10:40	evalima@uac.pt, manuel.ps.costa@azores.gov.pt	Presented by Manuel da Costa
López García et al	Mining and metallurgical heritage from SE Spain: the case of the Mazarrón Pb-(Ag)-Zn mining district	Poster		jangel@geo.ucm.es	
Molina y Nieto	Despeñaperros Natural Park and Cimbarra Waterfall Natural Monument (Central Iberian Zone, southern Spain): a potential geopark	Oral	11:00	jmmolina@ujaen.es, lmnieto@ujaen.es	Presented by Luis Nieto
Page y Meléndez	Impact of large-scale tourism-related development on the geodiversity of a high mountain area, Central Pyrenees, Huesca province, Spain	Oral	12:30	kpage@plymouth.ac.uk	
Puga et al	Time information on Pangaea breakup and birth of the westernmost Tethys Ocean deduced from U-Pb geochronology of the Betic ophiolites: another significant reason for their preservation	Oral	12:50	epuga@ugr.es	
Rebollada et al	The importance of geology and mining museums in Extremadura (Spain) to popularize our heritage	Oral	13:10	eduardo.rebollada@hotmail.com	
Rodrigues & Neto	Geological heritage legal frameworks in Naturtejo Global Geopark	Oral	13:30	joana225@sapo.pt	
Salazar	Geodiversity and classification of landforms: a proposal for the "Territorio Soplao" karren landscapes	Oral	15:30	a.salazar@igme.es	
Sánchez Ferris et al.	FOPALI Alicante (phase I): The geological and paleontological heritage of the municipality of Alicante (Spain)	Poster		info@cidarismpe.org	Presented by Ignacio Fierro
Sánchez Giner and Fernández Díaz	Geological processes and the nature of substrate in the art of the 21st century: an approach between the arts and geology	Oral	15:50	vchezner@gmail.com, manuelfernandezdiaz@gmail.com	
Seghedi et al.	Geological heritage and geoconservation in protected areas along the Danube river in Romania	Oral	16:10	antoneta@ageod.org	
Valenzuela & Liao	Potential of Pyrenean Devonian sections as standard of reference for stage and substage subdivisions and correlations	Oral	16:30	jose.i.valenzuela@uv.es
